- i. I haven't made a decision, and need your input

3. The Chair to Nurse and Rock My Baby will be (circle what is most applicable):

- a. a custom-made upholstered glider – over \$2500

- b. a natural latex foam upholstered glider – \$1795+
 - c. a low-VOC upholstery glider, no flame retardants, soybean foam – \$995+
 - d. an unfinished solid wood rocking chair – \$150-\$250
 - e. I haven't made a decision, and need your input
4. The Moses Basket I am looking for is (choose from the following):
- a. a hooded moses basket – over \$200
 - b. a moses basket with no hood – about \$200
 - c. I haven't made a decision, and need your input
5. Other sleeping solutions (circle what is applicable):
- a. I will need a travel crib or pack-n-play
 - b. I will co-sleep with my baby in the same bed
 - c. I prefer the baby to sleep in a co-sleeper attached to the bed
 - d. I prefer the baby to sleep in our bedroom but in a separate sleeper
 - e. I need to save money and figure out multifunctional solutions
 - f. The baby will sleep in a crib
 - g. I haven't made a decision, and need your input
6. The Swing or Bouncer I am looking for is (circle what is most applicable):
- a. an organic hammock
 - b. a synthetic fabric swing (organic mattress) that can be used for awake time and naps
 - c. an organic cotton bouncer
 - d. a synthetic fabric bouncer but certified to European standards

- e. I haven't made a decision, and need your input

Mattresses and Bedding

7. The Crib Mattress I am interested in will be made of (choose from the following, they are listed from most expensive to least expensive):

- a. 100% wool
- b. a combination of a rubber tree latex, wool, and cotton mattress
- c. a cotton mattress with innersprings
- d. a waterproof with the safest plastic, cotton, and innersprings
- e. an organic cotton, eco wool, and innersprings
- f. I need the least expensive option
- g. I haven't made a decision, and need your input

8. The Crib sheets I am looking for (circle what is most applicable):

- a. organic sheets certified by GOTS
- b. organic cotton sheets, GOTS certification is not critical to me
- c. I am interested in specific fabric type and colors, which are:
 - i. jersey sheets (don't recommend)
 - ii. sateen sheets
 - iii. flannel sheets (recommended)
 - iv. muslin sheets
 - v. colors I prefer are:
- d. I have not made a decision and need your input

9. The Puddle Pad/Mattress Protector I am interested in is (circle what is most applicable):

- a. a full coverage non-organic wool pad

- b. a full coverage organic wool pad
- c. a partial coverage organic wool pad
- d. a waterproof protector pad
- e. I haven't made a decision, and need your input

10. Bumper (circle what is most applicable)

- a. I need one
- b. I do not need
- c. I haven't made a decision, and need your input

11. The Blankets I am looking for are (choose from the following):

- a. I am going to swaddle my baby
- b. I need warm blankets
- c. I need light blankets
- d. I haven't made a decision, and need your input

Diapering

How do you best describe yourself on the scale from 1 to 10 where 10 means the most applicable:

- a. Convenience is my priority
1 2 3 4 5
- b. I do not want to add to a growing landfill of diapers
1 2 3 4 5
- c. I only want organic cotton to touch my baby's skin
1 2 3 4 5
- d. Saving money is a priority
1 2 3 4 5

12. The Diapers I am looking for are (circle what is most applicable):

- a. disposable
- b. cloth diapers with no plastics whatsoever
- c. cloth diapers with some waterproof covers
- d. hybrid
- e. I want only organic materials touch my baby's skin
- f. I haven't made a decision, and need your input

13. The Wipes I am looking for are (circle what is most applicable)

- a. disposable
- b. cloth
- c. I haven't made a decision, and need your input

14. Diaper Creams

List if you have any allergies:

15. The Changing Table Pad I am looking for is (circle what is most applicable):

- a. 100% wool changing table pad
- b. waterproof organic cotton changing table pad (less expensive)
- c. don't mind some synthetics as long as it is the least expensive
- d. I have not made my decision, and need your input

16. The Travel Changing Pad I am looking for is (circle what is most applicable):

- a. 100% organic cotton travel pad
- b. 100% wool travel pad
- c. a waterproof pad I can wipe

- d. a waterproof absorbent pad
- e. a waterproof pad, only organic cotton touches the baby
- f. I have not made my decision, and need your input

17. The Diaper Pail I am looking for is (circle what is most applicable):

- a. a washable liner
- b. a stainless steel pail
- c. a recycled plastic pail
- d. I have not made my decision, and need you input

18. The Diaper Bag I am looking for is (circle what is most applicable):

- a. a stylish bag made of laminated organic cotton
- b. a polyester bag with laminated department for wet diaper or swim suite
- c. I will use a regular bag with a wet bag
- d. I have not made my decision, and need you input

Bathing, Grooming, and Body Care

19. The Infant Tub I am looking for (circle what is most applicable):

- a. will grow with the baby till she/he is 2-3 years old
- b. is small and cozy for an infant
- c. I won't use a plastic tub
- d. I haven't made a decision, and need your help

20. The Organic Hooded Towel I am looking for (choose from the following):

- a. is made of unbleached organic cotton

- b. is made of white GOTS organic cotton
 - c. I prefer fun colors:
 - d. I haven't made a decision, and need your input
21. The Wash Cloths I am looking for are best described as (circle what is most applicable):
- a. matching towel wash cloths
 - b. the least expensive wash cloths
22. The Bath Toys I am looking for will be made of (circle what is most applicable):
- a. the safest plastic
 - b. natural Rubber
 - c. silicone
 - d. I have made a decision, and need your input.
23. The Shampoo and Body Wash I am looking for is (circle what is most applicable):
- a. scented with essential oils
 - b. unscented
 - c. a gentle bar soap
 - d. a liquid soap-based shampoo
 - e. a soap-free liquid shampoo (tear-free)
 - f. I haven't made a decision, and need your help
24. The Moisturizer I am looking for is (circle what is most applicable):
- a. scented with essential oils

- b. unscented
- c. a certified organic baby oil
- d. a baby balm
- e. a lotion

25. The baby brush I am looking for is (circle what is most applicable):

- a. a goat hair brush
- b. vegan

Feeding

26. The Baby Bottles I prefer are made of (circle what is most applicable):

- a. glass
- b. stainless steel
- c. silicone
- d. I haven't made a decision, and need some help

27. The Bottle Brush I prefer will have (circle what is most applicable):

- a. no plastic whatsoever
- b. a plastic handle only
- c. plastic
- d. I haven't made a decision, and need some input

28. The Nursing Pillow I prefer is made of (circle what is most applicable):

- a. organic cotton
- b. organic wool balls

- c. buckwheat hulls
- d. I haven't made a decision, and need your input
- e. I don't need a nursing pillow

29. The Bibs I am looking for are (choose from the following):

- a. waterproof
- b. made of organic cotton
- c. made of cotton
- d. other type made of safer plastic
- e. I have not made a decision, and need some input

30. Breast Pump and Milk Storage Bags

Plastic is unavoidable in breast pumps. Circle if interested in talking about ways to minimize exposure to potentially harmful substances in plastic.

31. The Sippy Cup I am looking for will be made of (choose from the following):

- a. stainless steel with a plastic spout
- b. stainless steel with silicone spout
- c. I haven't made a decision, and need your input

32. The Baby/Toddler Dishes I am looking for are made of (choose from the following):

- a. stainless steel
- b. tempered glass
- c. bamboo
- d. I haven't made a decision, and need your input

33. The High Chair I am looking for is (choose from the following):

- a. Wooden with a plastic tray
- b. Wooden with a wooden tray
- c. Least expensive option
- d. A chair that converts into a regular chair
- e. I have not made a decision and need your help

Playing

34. The Toys/Teethers I am looking for are made of (choose from the following):

- a. organic cotton
- b. organic wool
- c. wood finished with organic beeswax and olive oil
- d. unfinished wood
- e. natural rubber
- f. I haven't made a decision, and need your input

35. The Pacifiers I am looking for are made of (choose from the following):

- a. silicone
- b. natural latex
- c. I won't need a pacifier
- d. I haven't made a decision, and need your input

36. The Mobile I am looking for is (circle what is most applicable):

- a. a versatile stainless steel mobile that hangs from the ceiling
- b. a bamboo mobile, hangs from the ceiling

- c. an organic cotton mobile, hangs from the ceiling
- d. I haven't made a decision, and need your input

37. The Toy Box I am looking for is (circle what is most applicable):

- a. an unfinished solid wood toy chest
- b. a low-VOC solid wood toy chest
- c. storage bins made of natural fabrics
- d. I haven't made a decision, and need your input

38. The Area Rugs and Floor Mats I am looking for are (circle what is most applicable):

- a. a wool area rug
- b. a jute rug
- c. The colors I prefer are:
- d. I haven't made a decision, and need your input

39. The Play Gym I am looking for is (circle what is most applicable):

- a. a gym made with low-VOC finished wood
- b. a gym made of wood with food-grade finish (without toys)
- c. your "traditional" play gym with mat, rails, and toys included, made of cotton
- d. I haven't made a decision, and need your input

40. The Play Mat I am looking for is (circle what is most applicable):

- a. an organic cotton with organic cotton fill mat
- b. a mat with organic buckwheat hull filling

- c. an organic cotton (with organic cotton padding) play mat/changing pad, folds into a diaper bag
- d. a plain white organic cotton mat
- e. the safest synthetic foam mat
- f. I haven't made a decision, and need your input

Outings

41. The Infant Carrier I am looking for is (circle what is most applicable):

- a. an ErgoBaby with baby insert: organic cotton..... cotton.....
- b. a cotton sling: organic cotton..... cotton.....
- c. a cotton wrap: organic cotton..... cotton.....
- d. The colors I prefer are:
- e. I haven't made a decision, and need your input

42. The Strollers

All strollers are made with synthetic fabric and foam, and the ingredients of the materials are not disclosed. Circle if interested in talking about different types of strollers and need tips about reducing exposure to potentially harmful chemicals in strollers.

43. The Nursing Cover I am looking for is (circle what is most applicable):

- a. The lightest fabric
- b. Do you have preference in colors?
- c. I don't need a cover, I will use a blanket

44. Car Seat

This is the only category where I recommend worrying about the road safety first and checking Consumer Reports for road safety testing. The Consumers Reports subscription is approximately \$25 a year and is worth that investment for researching your car seat alone. There are no car seats made of organic or even natural fabric. Federal law requires children's car seats to be fire-resistant and to comply with the federal motor vehicle flammability

standard FMVSS 302. Circle this section if interested in learning ways to reduce exposure to potentially toxic chemicals found in children's car seats.

Wardrobe

45. The Clothing I am interested to learn about are made of (circle what is most applicable):

- a. Organic cotton
- b. Unbleached un-dyed organic cotton
- c. The least expensive even if there is no GOTS certification

Congratulations! You have done the hardest step to creating the baby registry you will love!
